HOUSE PACKET DISCLOSURE

Comparative Market Analysis (CMA) . The CMA has been prepared, possibly sighted or site-unseen, and is based on MLS data provided by the Lynchburg Association of REALTORS®, along with recent comparable sales and local market trends. The pricing estimates assume that the home's condition is consistent with professional showings and remains financeable under current lending standards. Any significant differences in the property's actual condition may affect the final market value and marketability. A CMA is not an appraisal, and associates of Haefer Homes are not appraisers. A CMA is a professional estimate of market value prepared by a licensed real estate agent to guide pricing and marketing strategy. An appraisal, by contrast, is a formal opinion of value conducted by a licensed appraiser, typically required by lenders, that includes an on-site inspection and follows standardized valuation guidelines. While a CMA provides valuable insight into likely buyer behavior and market positioning, it does not carry the same legal or lending authority as an appraisal.

FEMA Flood Zone Verification. Flood zone information, if provided, is based on publicly available FEMA maps and online resources as of the date of this report. Haefer Homes does not guarantee the accuracy, completeness, or current status of FEMA data. Buyers and sellers are encouraged to independently verify flood zone status through FEMA, a licensed surveyor, or their insurance provider prior to closing.

FCC Internet and Mobile Provider Information. Information regarding FCC-registered internet service providers and mobile network coverage has been compiled from publicly available FCC data. Haefer Homes makes no representation or warranty regarding the speed, reliability, availability, or accuracy of service provider information. Buyers and sellers should confirm availability and service quality directly with the provider(s) of their choice.

Taxes and Landmarks. Tax amounts, mapping information, and landmark data have been obtained from the locality's GIS system and/or the Listing Agent and are not guaranteed. Tax figures may not include additional town or county assessments, and buyers should verify all tax information and mapping details independently with the appropriate locality.

This pristine home is nestled on 1.42 acres in a developed neighborhood and near a cul-de-sac. It's just 26 minutes from Liberty University, 34 minutes from downtown Lynchburg, and just 6 minutes from the popular English Park to the southeast. The home was meticulously cared for and features several updates: two-zone heat pumps and air handler (2020), a true main-level two car garage renovation that features a finished interior with parking stops and board-and-batten exterior siding (2022), low maintenance landscaping (2015-2024), and a custom pine-and-oak craftsman-style front entry (2024). The floor plan offers main level laundry, an additional laundry room on the terrace level, bathrooms on all levels, three generously sized bedrooms, two coat closets, hardwood and tile flooring, built-in bookcases, two fireplaces, and a terrace level workshop. A complimentary home warranty will transfer to the new owner at closing.

Start A Claim

24/7/365 Person-to-Person Claims Service

We must receive your contractor's diagnosis of the item failure and provide you with telephone approval before having any work done. Reimbursement for services will not be made without prior approval.

1. Start Your Claim

First, make sure the item is covered by your plan.

If the item is listed as covered, you may start your claim with a phone call or online.

Phone:
800.648.5006

An APHW customer service representative will take your information, assign you a claim number, and review instructions to complete your claim.

Online:
APHW.COM

Scan this **Start A Claim** QR code or visit **aphw.com/start-claim**. Then follow the instructions to start your claim online and obtain a claim number.

2. Schedule

Once you receive a claim number, you may then call and schedule a local Licensed Contractor of your choice. Once your contractor arrives, they must first diagnose your problem.

Important: Before the contractor does any work, have the contractor call APHW with the diagnosis.

An APHW customer service representative will speak with you and your contractor to determine the approved dollar amount covered by your warranty. Your contractor may then make the necessary repairs.

3. Payment

Your APHW customer service representative will make sure that arrangements for payments are made. You will be required to pay the contractor a deductible for each trade call, or the actual cost; whichever is less.

An APHW customer service representative will follow up with you after the repairs are made to make sure you are completely satisfied with the work that was done.
